- b. **MUST BE** informative and share your unique expertise. Include tips, strategies, techniques, case - studies, analysis, opinions and commentary in your articles. We do not accept articles that contain more than 5 lines of quoted or sourced material.
- c. **MUST NOT** be a press release, advertisement, sales letter, promotional copy, or blatant and excessive self-promotion or hype.
- d. **MUST NOT** be a submission of the exact same article as one that you already submitted. Some authors have submitted the same article multiple times with only a few words changed in the body -- we reject these and ban authors who engage in this practice.
