

## ARTICLE SUBMISSION GUIDELINES

**GUIDELINES:** Articles should be **between 250 and 400 words (or longer if you prefer)**. You can include 1 link to your website, as well as links to resources used for writing the article.

Articles will qualify for publication that:

- a. **MUST BE AN ORIGINAL ARTICLE THAT YOU WROTE.** If you work for an author as an employee or contractor and are submitting the article, please submit the article as if it was from the original author including his or her email address and name.
- b. **MUST BE** informative and share your unique expertise. Include tips, strategies, techniques, case-studies, analysis, opinions and commentary in your articles. We do not accept articles that contain more than 5 lines of quoted or sourced material.
- c. **MUST NOT** be a press release, advertisement, sales letter, promotional copy, or blatant and excessive self-promotion or hype.
- d. **MUST NOT** be a submission of the exact same article as one that you already submitted. Some authors have submitted the same article multiple times with only a few words changed in the body -- we reject these and ban authors who engage in this practice.

**EDITORIAL RIGHTS:** We do reserve the right to “gently” edit your articles, including article titles and body copy to incorporate keywords and to edit for grammar and website “readability.”

**COMPENSATION:** You will receive **\$15 per submitted and published article**. Payment will be made on the 15<sup>th</sup> day of the month following the month you submit the article. For example, for articles received in August & published in September your check will be mailed on the 15<sup>th</sup> of September.

**TIMELINES:** Our goal is to publish **one of your articles each month**. That means we need your article by the last day of the month for publication the following month. To receive your payment on time we ask that you please submit your article before the deadline.

**HOW TO SUBMIT:** Please submit your article by email to: [articles@alternativemedicinenow.com](mailto:articles@alternativemedicinenow.com). You can either attach a Word document, or include the article in the body of your email.
